### INVENTOR'S DECLARATION

I, Bradley P. Badke, a named inventor in the above-identified reissue application, hereby state and declare as follows:

I have read the "Inventor's Disclosure and Declaration Under 37 C.F.R. 1.56" of Ronald D. McCallister dated April 28, 2009

I understand and fully agree with the technical analysis and conclusions of Mr. McCallister's submission regarding the disclosure of the May et al. reference and its applicability to the present application and claims.

I am not currently affiliated with either the assignee of the present application, Mr. McCallister or Mr. McCallister's current company and I have no interest in the application.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
